FACTS ABOUT ACTIVE SUMMER

The ACTIVE SUMMER holiday activities are for children living in the municipality of Aarhus or attending either a public or a private school in Aarhus.

For activities with an age requirement, please refer to your age BEFORE the summer holiday. Some activities require sign-up, for others, you simply show up on the day.

Adults supervise all activities. Any equipment for an activity is available on location. If you have questions about an activity or the sign-up, please contact the responsible association, club or institution.

If you or your parents want to know more about the Active Summer program, please contact Abir Saleh, Sport & Leisure, City of Aarhus at +45 89 40 48 43, or via email: supersommer@aarhus.dk

Active Summer is available in English as a result of the cooperation between the departments of Citizen Service and Sport & Leisure, City of Aarhus. You can download Active Summer as a PDF at www.ferieaktiviteter.dk – Danish and English (Danish website) and in English at <https://international.aarhus.dk/> - the City of Aarhus’ website for international citizens.

The summer holiday is just around the corner

That means no school and time to enjoy life with family and friends. And maybe to seek out new communities and make new friends.

In this paper you can find a long list of fun and exciting activities taking place in the Danish school summer holiday. There is something for everyone, no matter if you prefer contemplation or are looking for some action. The Holiday Paper is brimming with offers and opportunities to sample our amazing club activities in Aarhus Municipality. There’s no reason for you to be bored this summer. Or the rest of the year, for that matter.

The theme of this paper is “Children ought not be heard”. For good reason. The world we knew is changing. It may be difficult to keep up with the media and social platforms, and even harder to know what to believe.

Unfortunately, it is sometimes the case that those who shout the loudest get all the attention. It

is a challenge – or more so, it is a threat to our democracy.

In all my years as a politician, I have fought for the right for all to be heard.

Not least children and young adults. They are the ones tasked with taking over our society in a few years’ time.

I usually say that the citizens are the true experts of their own lives. That applies to children and young adults, too.

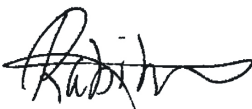

Which is why we must include children and young adults. For instance, we have a Children and Young Adults city council in Aarhus, which supplies many excellent suggestions. You can read about them and so much else in this paper.

Finally, I want to extend a heartfelt thank you to our many clubs and associations. It is the many passionate volunteers in our local clubs who keep

our leisure life alive. It is their merits that this paper is packed full of exciting offers for you to explore.

All that is left for me is to wish you, your family and all of your friends a happy summer.

Yours truly,

Rabih Azad-Ahmad

Når børn og unge stemmer – og bestemmer

Aarhus Kommune har sit eget Børne- og ungebyråd. Ferieavisen har mødt Cecilie Frøslev Andersen, som er børne- og ungeborgmester, og Ask Bøgely-Fisker, som er byrådsmedlem, til en snak om, hvordan man kan bruge sin stemme.

Cecilie Frøslev Andersen
børne- og ungeborgmester

1. HVILKEN INDFLYDELSE HAR BØRNE- OG UNGEBYRÅDET I AARHUS?

Cecilie: Vi stiller forslag på vegne af børn og unge i Aarhus. Vi er repræsentanter for alle børn og unge i Aarhus, og det handler om at gøre hverdagen og ungelivet bedre. For eksempel har vi stillet forslag om at styrke ordblindeindsatsen – det er enormt vigtigt.

Ask: Vi har også arbejdet for bedre skolemad. Altså, både kvaliteten og tilgængeligheden til god skolemad. Det er også et emne, som er vigtigt for alle.

Cecilie: Vi har også fremsat et forslag om 10 gode råd til en skoledag. Simpelthen fordi en skoledag kan blive lang. Og der mener vi, at der skal lyttes til eleverne.

2. FØLER I, AT DE "VOKSNE" BYRÅD TAGER JER ALVORLIGT OG LYTTET?

Cecilie: Delvist. De connecter med os under dialogmødet, men rækker ikke selv ud. Det ville være oplagt at tage fat i de unge. Vi er trods alt en stor del af samfundet, og meget politik handler om

børn og unge. Voksne kan godt have fordomme om os og tænker, vi ikke udretter noget. Men vi er her for at ændre noget for børn og unge, og derfor handler vores forslag meget om for eksempel skolelivet.

Ask: Når vi er færdige med dagens byrådsmøde, skal vi have et dialogmøde med det voksne Byråd. Det, jeg oplevede til sidste års dialogmøde, var, at politikerne synes, vi kommer med gode ideer.

3. HVORFOR HAR I SELV VALGT AT BRUGE TID PÅ POLITIK?

Ask: Jeg startede på grund af nogle venner, der spurgte, om det ikke var noget for mig. Jeg stillede op, og jeg opdagede, at jeg godt kunne lide arbejdet. Det, at jeg kan få indflydelse og hjælpe andre unge.

Cecilie: Jeg kan også godt lide det. Jeg havde længe tænkt, at der sker sateme ikke noget for børn og unge. Så man må jo gøre noget selv. Det er fucking fedt at kunne gøre en forskel for andre børn og unge. At kunne give andre en bedre mulighed for tilbud og opvækst. Bedre muligheder end vi selv har haft.

Ask: Det handler både om os selv og om at hjælpe andre. Jeg har kun oplevet en gang, at vi var meget uenige. Det handlede om skraldesortering. Men ellers har vi et godt fællesskab i Børne- og Ungebyrådet. Vi er gode til at gå på kompromis og give hinanden konstruktiv feedback.

4. SKAL I OGSÅ VÆRE POLITIKERE, NÅR I BLIVER VOKSNE?

Cecilie: Godt spørgsmål. Det er megaspændende. Men jeg ved ikke, om jeg vil bruge mit liv på det. Mange politikere har jo også et job ved siden af, og det kan blive hårdt. Men lige nu er det spændende. Og man ved jo aldrig, hvis man får muligheden, og der dukker et tilbud op.

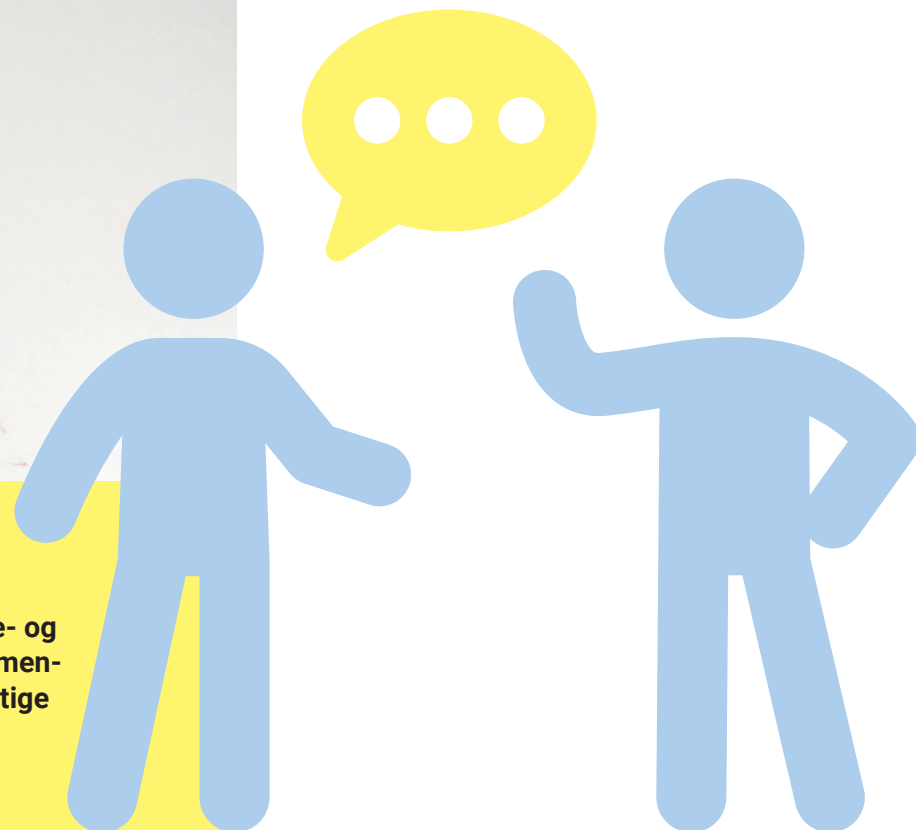

Ask: Det er ikke min førsteprioritet. Men det er en mulighed. Min omgangskreds opfordrer mig til det, men det er ikke noget, jeg har truffet en beslutning om endnu.

BØRNE- OG UNGEBYRÅDET I AARHUS

Aarhus Kommune har et Børne- og ungebyråd med 31 medlemmer. De bliver valgt som repræsentanter for deres lokalområde til at sidde i Børne- og ungebyrådet i ét år. Børne- og ungebyrådet skaber mulighed for, at unge mennesker kan engagere sig i politik. Rådet er en sparringspartner for det rigtige byråd i Aarhus Kommune.

Børnene får deres egen havn

Er du til vand, krabberæs og master med sejl? Så kan du godt begynde at glæde dig.

Aarhus Lystbådehavn får nemlig sin helt egen havn til børn og familier. Det bliver et stort havneområde, hvor børn og voksne kan nyde vandet sammen.

Aarhus Lystbådehavn er meget andet end flotte både og voksne, der sejler i kano eller kajak. Her er der nemlig også tænkt på børnene, og allerede nu er der gang i et spændende byggearbejde, der skal blive børnenes plads på havnen. Det er det, der skal blive til Børnenes Havn. En havn til børn, hvor man trygt kan lege med vand, fange krabber eller kigge på et flot fyrtårn.

Ambitionen er, at børn og voksne sammen kan nyde det smukke vandmiljø ved Aarhus Bugten.

- Børnenes Havn er noget af det, jeg ser allermest frem til i år. Det er både for børn, forældre og bedsteforældre, for havnen besøges man ikke kun, når man har en bestemt alder. Her er alle velkomne hele livet igennem. Havnen skal være et rum, hvor man kan slappe af og nyde vandet sammen på tværs af generationer. Også hvis man vil fange krabber eller fisk med fiskenet. Det er vigtigt, at vi husker børnene, for det er meget nemmere at passe på naturen, hvis man forstår, hvor fanta-

stisk den er. Og det er det, vi vil vise med en havn i børnehøjde, siger Thomas Krüger Bergstrand, havnemester på Aarhus Lystbådehavn.

Børnenes Havn starter på Aarhus Lystbådehavns vestside langs Fiskerivej. Det er mellem den gamle mole og Træskibshavnen. Og det er på det her store område, at man er ved at bygge et fedt område, hvor alle kan nyde vandet og naturen. Det skal hedde Den Blå Foreningsø. Her kommer foreningshuse til dem, der sejler, dem der ror i kajak eller står på SUP-paddleboards, og det er her, at Børnenes Havn udspringer.

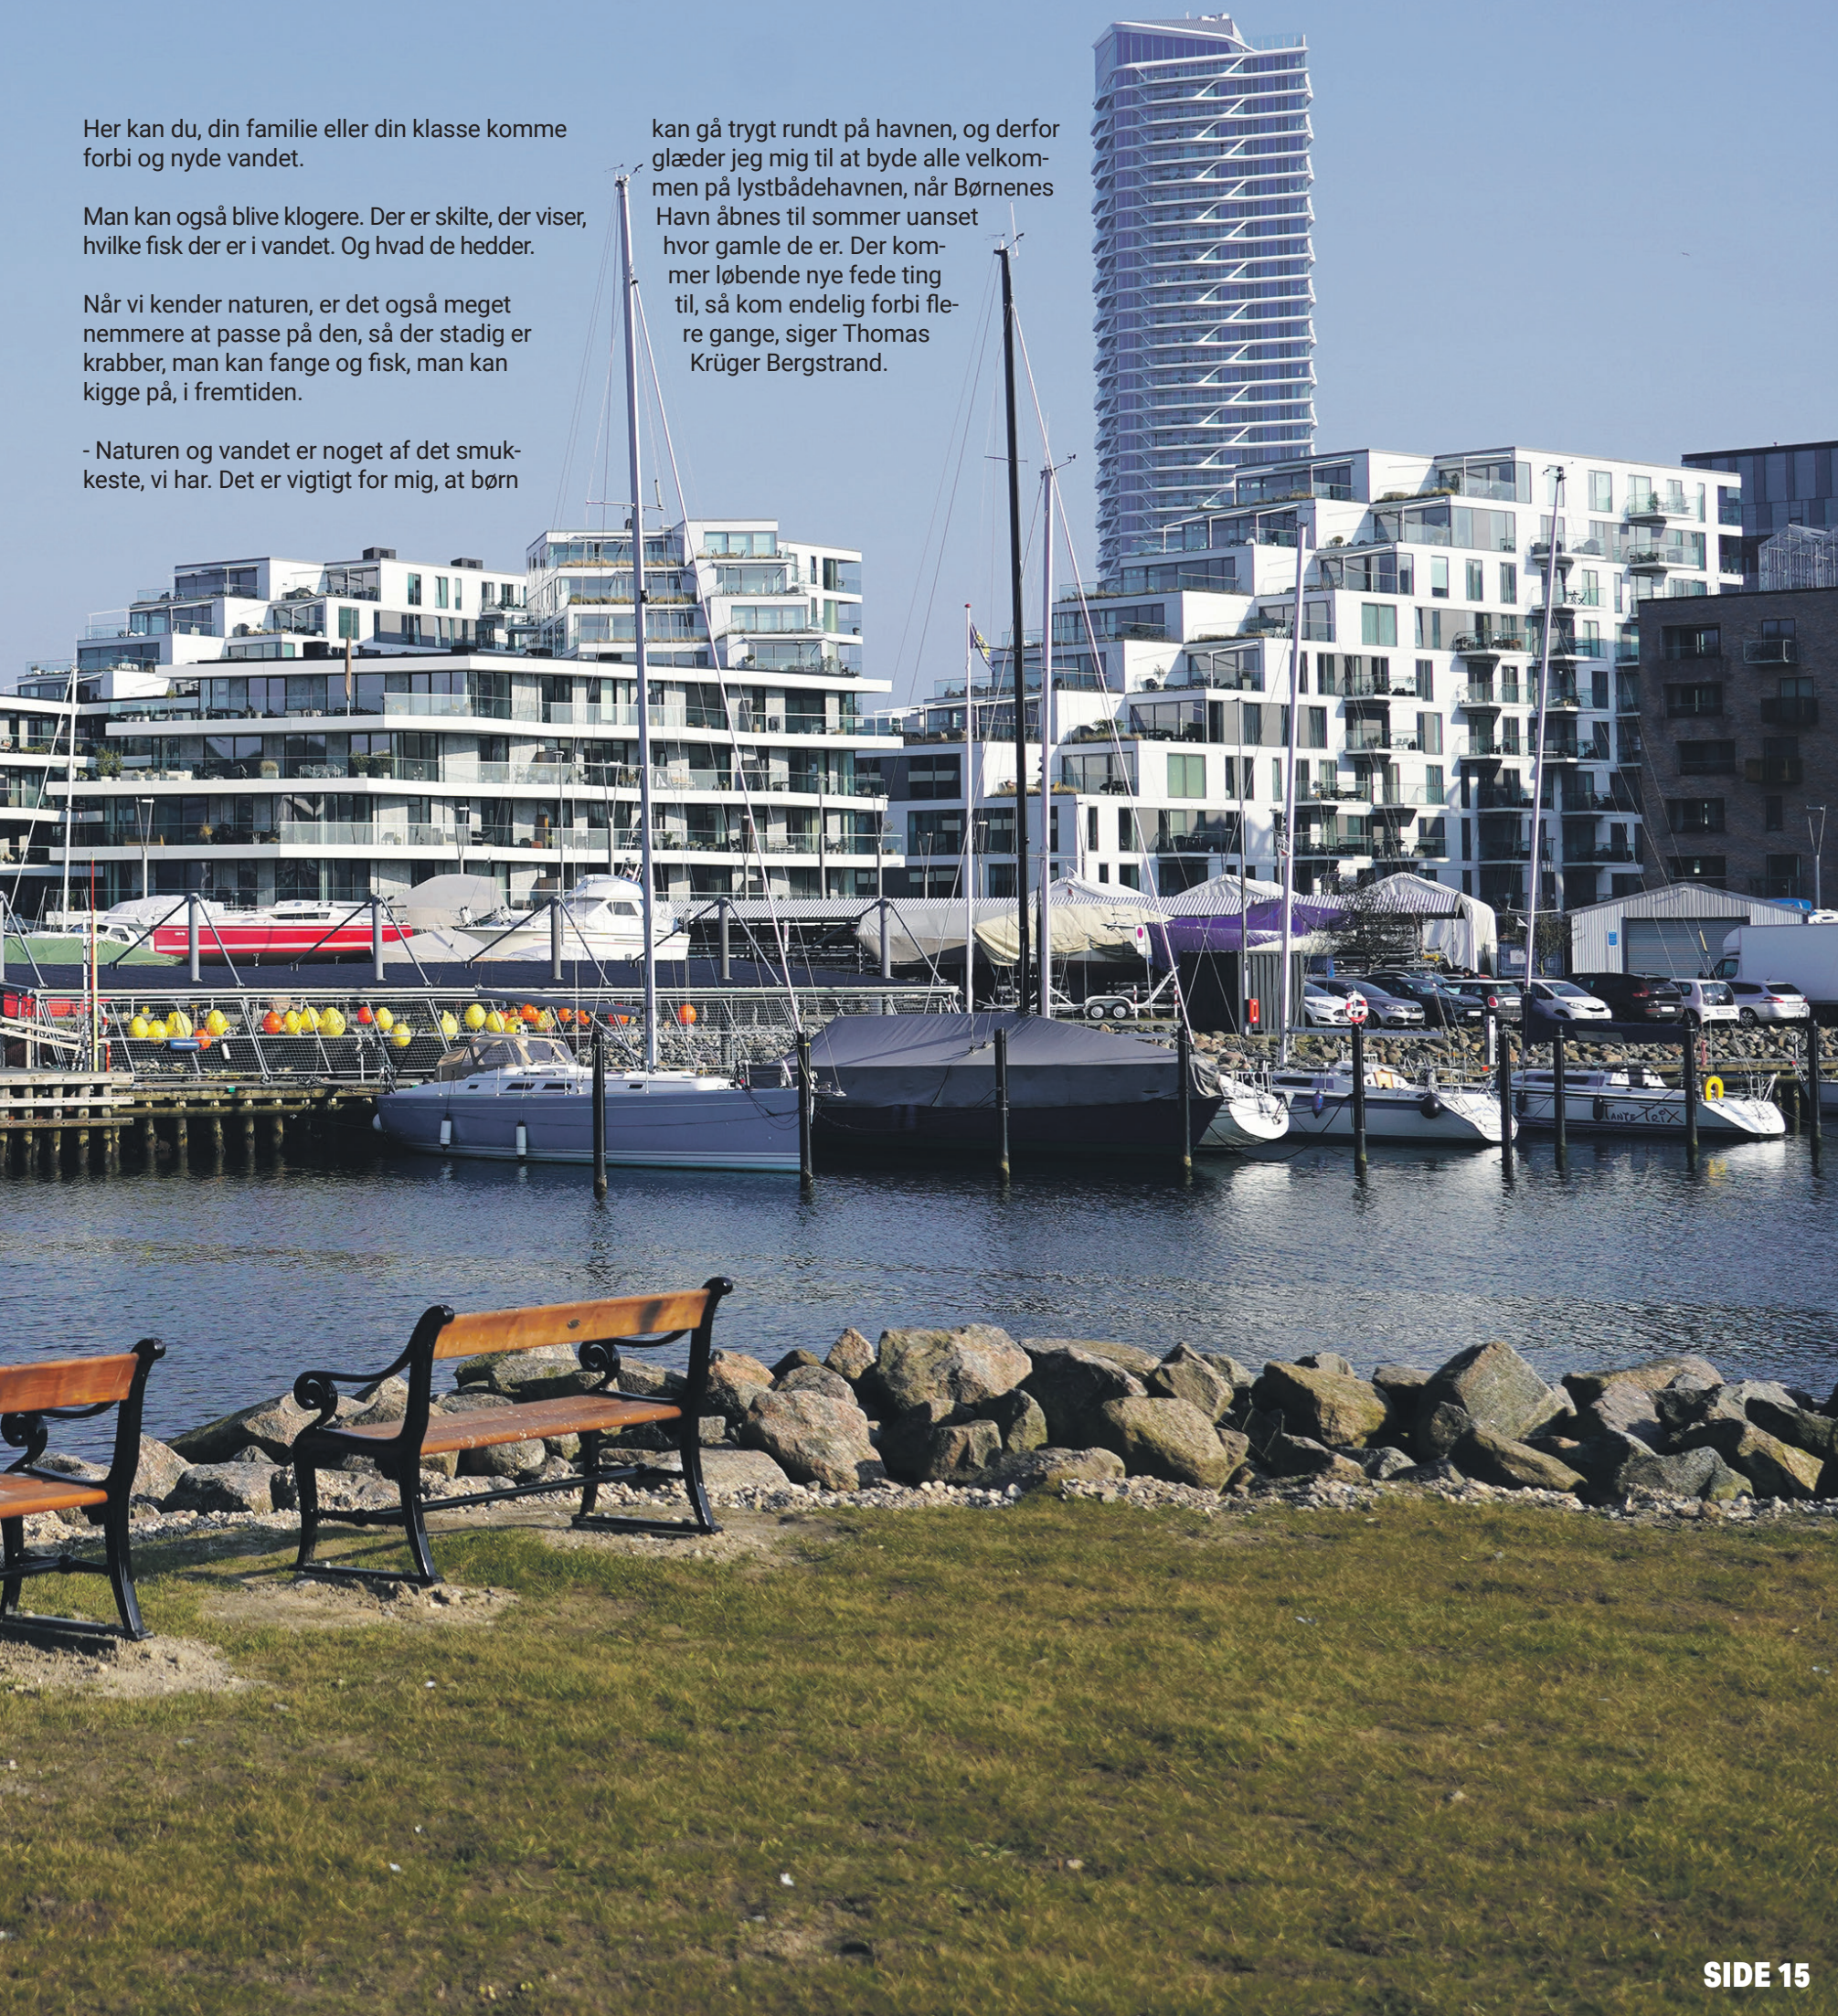

Her kan du, din familie eller din klasse komme forbi og nyde vandet.

Man kan også blive klogere. Der er skilte, der viser, hvilke fisk der er i vandet. Og hvad de hedder.

Når vi kender naturen, er det også meget nemmere at passe på den, så der stadig er krabber, man kan fange og fisk, man kan kigge på, i fremtiden.

- Naturen og vandet er noget af det smukkeste, vi har. Det er vigtigt for mig, at børn

kan gå trygt rundt på havnen, og derfor glæder jeg mig til at byde alle velkommen på lystbådehavnen, når Børnenes Havn åbnes til sommer uanset hvor gamle de er. Der kommer løbende nye fede ting til, så kom endelig forbi flere gange, siger Thomas Krüger Bergstrand.

Din stemme online - er du en god ven?

Verden er blevet digital, og på den måde vi deler vores liv – billeder, ord, videoer – er vi altid i kontakt. Men har du overvejet, hvordan dine ord kan påvirke andre? Online er det let at glemme, at der er mennesker bag skærmen. Folk med følelser. Den gode tone er derfor enormt vigtig – en nødvendighed. Det handler om at være venlig og respektfuld, når du skriver til andre, så du hjælper

med at skabe et trygt rum for både dig selv og dem.

MEN HVORFOR BETYDER TONEN SÅ MEGET?

Fordi vi ikke kan se hinandens ansigter, og det er nemt at misforstå hinanden. Den gode tone hjælper med at undgå konflikter og skaber et bedre miljø for alle. Derfor er det vigtigt at huske på:

1. **VÆR VENLIG.**
Behandl andre, som du selv ville ønske at blive behandlet. Det er simpelt.
2. **UNDGÅ STØDENDE ORD.**
Skældsord og sårende bemærkninger kan rive tilliden ned, og skabe et mørkt rum, hvor ingen ønsker at være.
3. **TÆNK FØR DU DELER.**
Hvis du er sur eller ked af det, så vent, før du deler noget. Ord skrevet i hast kan blive til noget, du fortryder.
4. **VÆR OPMÆRKSOM PÅ, HVORDAN ANDRE HAR DET.**
Hvis du ser, at nogen skriver noget trist eller bliver mobbet, så spørg, om de har det godt. Det kan betyde meget mere, end du aner.
5. **VÆR ÆGTE, MEN VARSOM MED, HVAD DU DELER.**
Tænk dig om, før du lægger noget ud. Intet forsvinder i den digitale verden.

Børn har ret til at blive hørt

Børn har ret til at blive hørt, som fastslået i Børnekonventionen. Den sikrer børns rettigheder og trivsel, og at børn kan udtrykke deres synspunkter for at gøre verden bedre.

Selvom børn har ret til at blive hørt, betyder det ikke, at de altid får, hvad de ønsker. I Danmark trives de fleste børn godt, men der har været en stigning i mistrivsel blandt unge. Det kan skyldes mange forventninger, men det er vigtigt at bruge

sin stemme og sige fra, når noget ikke føles rigtigt.

I Aarhus tror vi på, at sunde fællesskaber kan hjælpe børn og unge med at have det bedre. Fæl-

lesskaber kan være alt fra fodbold og dans til at spille brætspil. Vi mener, at alle børn og unge bør have mulighed for en fritidsaktivitet med andre, og derfor tilbyder vi fritidspasset, som giver flere mulighed for at deltage.

BØRNETELEFONEN

Hvis du ikke har nogen at snakke med, men gerne vil. Så er der flere steder, man kan kontakte. Én af dem er BørneTelefonen. Her kan man tale med voksne helt anonymt. De har tavshedspligt, og det betyder, at de ikke må fortælle det, du fortæller dem, til nogen udenfor BørneTelefonen.

Du kan komme i kontakt med BørneTelefonen på telefonnummer: 116111. Du kan også skrive til dem på bornetelefonen.dk.

Korfestival rundt i byen fra 28. juni – 6. juli

European Choir Games

- Europas største korfestival kommer til Aarhus

Hele Aarhus kommer til at summe af sommersang, når EM i korsang, European Choir Games, kommer til byen.

Det er en kæmpe stor festival, hvor 6.000 korsangere fra hele verden synger sammen. Der er konkurrencer mellem de dygtigste kor og masser af gratis koncerter i hele byen. Og dem kan du og din familie deltage i!

ER KORENE FRA AARHUS GODE?

Det korte svar er: JA!

Aarhus har supermange dygtige kor, som tit har deltaget i European Choir Games og vundet medaljer. Aarhus Pigekor, EVE, Akademisk Kor Aarhus og Vocal Line har tidligere vundet guldmedaljer med hjem til byen, og i 2023 vandt AarhusU fire flotte guldmedaljer i svenske Norrköping.

Så man kan sige, at vi har vundet flere EM'er i korsang end i fodbold.

HVAD SYNGER KORENE?

Det er jo en stor festival med mange forskellige kor, så der bliver sunget en masse forskellige sange. Både i en musikstil, du måske hører i kirken til jul, men også en masse af de sange, du lytter til på YouTube, Spotify eller når du gamer Fortnite. Så der er noget for alle.

HVOR KAN JEG HØRE DET?

Du kan høre korsang på mange af de steder, hvor du er vant til at komme. Der er for eksempel ret mange gratis koncerter på Dokk1 og oppe på Salling Rooftop.

*'Når vi synger sammen,
bliver vi bedre venner.*

*Det sker, fordi vi trækker vejret i takt
og også får vores hjerter til at slå i takt.
Sådan er det bare. Vi glæder os helt vildt til,
at vi alle kan opleve sang fra hele verden
alle mulige steder i Aarhus'*
